

TO THE APPLICANT FAMILY:

Please share this form with the applicant's current Math teacher.

Applicant Name: _____
Last First

Current School: _____
Name of School Current Grade

TO THE TEACHER:

The student whose name appears above is an applicant for admission to University Liggett School. Your candid evaluation of this applicant's academic ability, character and contributions will assist us in our efforts to provide thoughtful consideration. Please email or mail the completed form **directly** to University Liggett School. You are welcome to attach an additional narrative statement. **We assure you that your comments will remain confidential for admission purposes only and will not be retained as part of the student's permanent record.**

How well do you know the applicant?

Name(s) of course(s) in which you have taught the applicant:

Number of students in class: _____ Are students placed in sections according to ability? _____

What text do you currently use in this course?

What pages or chapters do you expect to cover by the end of the current school year?

Check the box next to those courses which the student will have completed by the end of the current school year.

|---|---|
| <input type="checkbox"/> Grade 5 Math | <input type="checkbox"/> Geometry |
| <input type="checkbox"/> Grade 6 Math | <input type="checkbox"/> Second Year Algebra (not including trigonometry) |
| <input type="checkbox"/> Grade 7 Math | <input type="checkbox"/> Second Year Algebra (including numerical trigonometry) |
| <input type="checkbox"/> Pre-Algebra | <input type="checkbox"/> Pre-Calculus (including analytical trigonometry) |
| <input type="checkbox"/> Basic First Year Algebra (no study of quadratics) | <input type="checkbox"/> Other: <div style="border: 1px solid black; width: 250px; height: 30px; display: inline-block;"></div> |
| <input type="checkbox"/> First Year Algebra (including quadratic, exponential and rational functions) | |

Which of the courses listed above would you recommend the student study next year?

Please place check marks at the points that represent your evaluation of the applicant in comparison to other students in his or her age group whom you have taught in mathematics. If you have no fair basis for judgment, do not hesitate to say so.

	One of the top few I have ever encountered	Excellent (Top 10% this year)	Good (Above Average)	Average	Below Average
Knowledge of basic facts					
Accuracy in use of basic facts					
Problem solving ability					
Reasoning skills					
Ability to see connections among mathematical concepts					
Overall performance					
Overall effort					
Does the candidate show a willingness to accept the challenge of more difficult problems and exercises?					
How would you rate the candidate's overall command of mathematics compared to other students whom you have taught?					

Please indicate your evaluation of the applicant in comparison to other students in his or her age group whom you have taught.

	One of the top few I have ever encountered	Excellent (Top 10% this year)	Good (Above Average)	Average	Below Average
Academic Potential					
Academic Achievement					
Intellectual Curiosity					
Effort/Grit					
Ability to Work Independently					
Organization					
Willingness to Take Intellectual Risks					
Works Well with Others					
Concern for Others					
Honesty/Integrity					
Self-esteem					
Maturity (relative to age)					
Responsibility					
Emotional Stability					
Overall Character					

Please comment on any aspect of the candidate’s intellectual interests, ability and potential in math class specifically or in school work generally.

Please tell us what you can about the candidate’s personal qualities, if possible, by providing specific information or relating an anecdote that gives insight into this person’s personality and character.

I recommend this student (please check one):

With Enthusiasm ←—————→ Not at all

10 9 8 7 6 5 4 3 2 1

Please comment on your experience working with the candidate's parents.

Thank you for taking the time to complete this evaluation. We appreciate your insight and effort on behalf of the candidate. **Please email or mail directly to our office.**
